

## THE ASPEN

2 Bedrooms // 1 Bath // Approx. 1,035 sf

Enter The Aspen on the main level, directly from the attached garage or the covered front porch. The inviting open-concept kitchen shares an expansive space with the living and dining rooms. Sliding glass doors lead out to the private patio. The master bedroom includes a full bath and a walk-in closet. The in-residence laundry doubles as a utility room. The second bedroom offers ample closet space and easy access to the central bath. With full appliances, lots of storage space and designer touches, living in luxury is a breeze in The Aspen.
