

THE MAPLE

2 Bedrooms // 2 Baths // Approx. 1,170 sf

The Maple may be entered directly on the main floor from the attached garage or private covered porch. Upon entering, the open kitchen shares an expansive space with the living and dining rooms and sliding glass doors lead out to the patio. The master bedroom includes a full bath and walk-in closet. The fully equipped in-residence laundry offers additional storage. The second bedroom features ample closet space and easy access to a second full bath. With complete appliances, lots of space and designer touches, The Maple is comfortable and carefree.
