

THE MAPLE UPPER

2 Bedrooms // 2 Baths // Approx. 1,170 sf

Steps lead up from the attached garage or covered front porch to The Maple Upper. The spacious kitchen shares open space with the living and dining rooms while sliding glass doors lead out to the balcony. The master bedroom includes a full bath and walk-in closet. The in-residence laundry doubles as a utility room. The second bedroom offers ample closet space and easy access to a second full bath. With lots of space and dramatic touches including cathedral ceilings, The Maple Upper is an innovative and unique step up in carefree apartment living.
