

THE OAK

2 Bedrooms // 1 Bath
Approx. 1,024-1,034 sf

The Oak showcases main level ranch-style living. The home may be from the covered front porch or the attached garage. The fully appointed kitchen shares open space with the living and dining rooms while sliding glass doors lead out to a private patio. The master bedroom suite includes a luxury bath and a walk-in closet. The in-residence laundry features a full-size washer and dryer, plus convenient storage space. The second bedroom offers ample closet space and easy access to the central bath. With lots of space and dramatic touches, The Oak is the first choice for man discerning residents.
