

THE OAK UPPER

2 Bedrooms // 1 Bath
Approx. 1,024-1,034 sf

Prepare to be charmed as you take the steps up from the attached garage or covered porch to enter The Oak Upper. The open-concept kitchen adjoins the dramatic living and dining rooms with cathedral ceilings. Sliding glass doors lead out onto the balcony from the living and dining room area. The master bedroom features direct access to a full master bath and a walk-in closet. The in-residence laundry doubles as a utility room. The second bedroom offers ample closet space and easy access to the central bath. With full appliances, lots of space and dramatic touches including cathedral ceilings, The Oak Upper will make your spirits soar.
