

THE WALNUT UPPER

2 Bedrooms // 2 Baths // Approx. 1,145 sf

The easy-living Walnut Upper is just steps up from the front porch entry or the attached garage. The central kitchen opens to spacious living and dining rooms with cathedral ceilings and sliding glass doors, which lead to the balcony. The master bedroom suite features a luxury bath, which is accessed through the walk-in closet. The convenient, in-residence laundry and utility room separate the two baths and the second bedroom to enhance privacy. Discover The Walnut Upper, luxury at its most attainable.
