

THE WALNUT

2 Bedrooms // 2 Baths // Approx. 1,145 sf

The spacious Walnut offers main floor ranch living accessible from the front porch or just steps from the private one car garage. The fully equipped kitchen opens to an expansive living and dining area where a sliding glass doorwall looks onto a private patio. The master bedroom features a spacious bath with tub and an extensive wall of closets. The utility room with washer and dryer and additional storage separates the second bedroom and full bath that can be mastered as well for additional privacy.
